Clean & Safe

Non-Porous surfaces makes our product easy to clean and sterilize.

Responsibly Sourced

Ethical sourcing and production ensured at every turn.

Low Iron Glass

The best glass for marker transfer, clarity and durability.

High Gloss Glass

Our High Gloss product incorporates a dry erase, glossy finish that is both beautiful and stylish. Enjoy using this fun product to reflect your brilliant ideas.

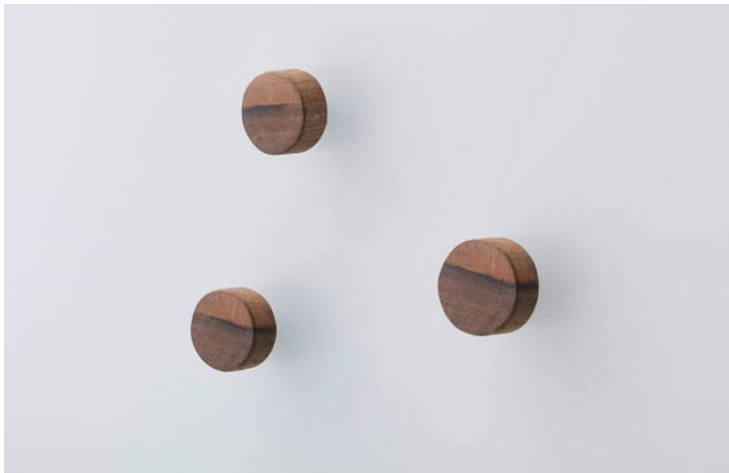

LiteEtch™ Glass

With a wet erase, matte finish and a non-glare writing surface, the LiteEtch™ product allows for easy readability in all light conditions.

Mixed Materials

The best mix of glass and ceramic surfaces for marker transfer, clarity and durability.

Magnetic

Most springboard surfaces can be magnetized.

Custom Options

Our glass surfaces can be back-painted for a rich field of color or digitally printed with any graphic or image for a totally custom surface.

Accessorize

Custom tools for your springboard surface.

make your mark **mobile**

Work where you want, bring ideas with you and make your mark anywhere.
